

Black Rose Memorial 2010 Annual Meeting

A Black Rose Memorial will be held at the Annual 2010 Order of Confederate Rose meeting. I need names of loved ones, friends or ancestors that have passed away, so that their names can be memorialized in the program. It will be a nice keepsake to have and a toll of the bell will chime in the honor of your friend, family member or ancestor. I need the names of who you would like honored by Friday March 12th to allow for the printing of the program. Don't miss out on honoring the people that you would like remembered.

Warm Regards,
