Dear Doug,

On behalf of the South Carolina Order of Confederate Rose (OCR), I would like to thank you for taking time out of your extremely busy schedule to be our guest speaker at the March 17, 2007 Annual Meeting held in Mt. Pleasant. I cannot express the appreciation the OCR voiced to me on the choice of our speaker! Many individuals have expressed interest in the possibility of having you speak at their meetings. Your rousing speech on our Great General Robert E. Lee was greatly appreciated.

Your presence made the long weekend an especially enjoyable one for all of us and I certainly appreciate the kindness and dignity you extend to all of our members. Camp 51 and the Louisa McCord Chapter are so very fortunate to have had the opportunity to meet you and now have you as a dear friend (especially Steve and I); and your wife, of course!!

Again, my thanks and appreciation to you, Doug, in honoring the SC Society Order of Confederate Rose members and family during our stay in Mt. Pleasant and in bringing your well received presentation to us. You are truly a Southern Gentleman in all respects and make us proud to share our heritage and history and friendship!

With warm regards,

Andrea Wolfe, President  
SC Society OCR &  
Louisa McCord Chapter OCR #12
